**PRE-POWER REQUEST**

**(To be completed by Electrical Contractor of Record)**

Date: \_\_\_\_\_

To: **Michael German, Building Official**

From: \_\_\_\_\_

Subject: Request for pre-power, prior to final inspection PERMIT#: \_\_\_\_\_

Site Address: \_\_\_\_\_

**The above referenced project is in its final stages of construction. I hereby request that electric power be connected to this project to accommodate:**

**I understand that this request will be limited to a period of not more than 30 days. The final inspection must be made within 30 days from the date the power company connects the power. I further understand that the power may be disconnected if the terms of this agreement are not fulfilled as described herein. By submitting this completed request, I understand and am aware that the building will not be occupied prior to the issuance of the Certificate of Occupancy by the Building Department. I also understand that the Building Official is authorized to order the disconnection of electrical power.**

**The undersigned Electrical Contractor of Record hereby certifies that the wiring, equipment and fixtures of the entire area to be served by this pre-power request are in such condition that electrical current may safely be connected. Adequate safeguards will remain in place to prevent unauthorized persons to have access to energized electrical components.**
