## WINDOW, DOOR, & SHUTTER INSTALLATION INSPECTION AFFIDAVIT

Address: \_\_\_\_\_

Permit # \_\_\_\_\_

As the contractor of record I certify the following:

1. The windows, doors, &/or shutters, as approved under this permit, shall have a sufficient full contact buck that complies with the Florida Building Code and the Florida Product Approvals for these products. Note: Tapered bucks are no longer allowed by the Florida Building Code.
2. The installation shall include shims that do not exceed the maximum thickness allowed in the Florida Product Approvals for these products.
3. The anchors shall be installed with anchor size, location, and spacing no less than required in the Florida Product Approvals for these products.
4. The installed depth and edge distance of the anchors shall be no less than required in the Florida Product Approvals for these products.
