This report sets forth: (1) the organization and membership of the Community Redevelopment Agency, its Board members and administration, (2) an introduction to the CRA, its mission and history, (3) the CRA boundary, (4) financial reports, statement of liabilities, income/operating expenses and certain other performance information, and (5) an overview of public and private construction projects within the CRA.

Should you have any questions, please contact me at (321) 868-1220.

Introduction, Mission & History

Chapter 163.387 (8), Florida Statute, requires that the City file an annual report of its financial activities with the taxing authorities each year for the preceding fiscal year. Furthermore, the City and Brevard County entered into an Interlocal Agreement, recorded in July of 2018, which establishes additional reporting obligations of the City.

This report has been prepared to meet these obligations and is filed for fiscal year 2018/19 ending September 30, 2019. This report sets forth: (1) the organization and membership of the Community Redevelopment Agency, its Board members and administration, (2) an introduction to the CRA, its mission and history, (3) the CRA boundary, (4) financial reports, statement of liabilities, income/operating expenses and certain other performance information, and (5) an overview of public and private construction projects within the CRA.

In 2009, the City initiated the “Envision Cape Canaveral” effort, which set the stage for a series of redevelopment activities. One of these, the establishment of a City Vision Statement, ultimately led to the creation of the City’s CRA.

Between the years of 2007 and 2011, property valuation data, collected by the Brevard County Property Appraiser’s Office, indicated an average decline of 41 percent in commercial and industrial areas and 47 percent in residential areas within the Community Redevelopment Area.

Pursuant to Resolution No. 2012-10, the City CRA was established in 2012 with the signing of an Interlocal Agreement between the City and Brevard County. The CRA includes 766 acres or 56 percent of the City’s land area (Figure 1).

Projects Overview & Accomplishments (FY18-19)

The City CRA is in its 8th year of operation and has increased in value approximately $165 million since its creation in 2012. The resulting Tax Increment Revenue allows for the continued expansion of public infrastructure and other programs that directly affects our City. The City continues to fund public improvements through available dollars including the general fund and CRA funds. Some of the notable projects—both public and private—are indicated in the following pages.
Public Projects Overview & Accomplishments (FY18-19)
Electric Vehicle (EV) Charging Stations

In 2019, the City at a cost of $6,490, installed new EV charging stations with two additional chargers located at City Hall. This public project was funded by the General Fund and is in line with the City’s Community Redevelopment plans which include public enhancements that improve transportation services and facilities.
Wayfinding Signage

In 2019, the City at a cost of $16,076, obtained wayfinding signage to add decorative and uniform signage to direct residents and visitors to local amenities and attractions. The signage, paid for from the General and CRA Funds, aims to improve connectivity and enhance existing/future pedestrian and bicycle mobility while also aiding vehicular travelers. This is a public project.
Wagner Pocket Park

In 2019, the City at a cost of $70,000, constructed Wagner Pocket Park along N. Atlantic Avenue. This public project was funded by the General Fund and is in line with the City’s Vision and Community Redevelopment plans which include parks, recreation, open space and beautification opportunities. Amenities include stormwater management via vegetative plantings, pervious pathways and bicycle/pedestrian facilities for the Community.
Multi-Generational Facility (MGF)
7920 Orange Avenue

This City facility, budgeted at $5 million, will be a catalyst for community health and engagement. Desired community amenities expressed include: indoor basketball/volleyball, indoor walking path, and specific areas for fitness, youth/teens, and banquet/gathering. The MGF will be utilized by all demographics and will serve as the host site for the City's Youth Center, summer camp, PAL and youth basketball programs. The facility will be open to the general public. This project will be publically funded with monies from: the CRA, grants, General Fund and use of SPIA moneys.
Private Projects Overview & Accomplishments (FY18-19)
**Oceanside Distillery**

240 W. Central Avenue

This project, started in 2016, includes the redevelopment of an industrial site into the City’s first micro-distillery. The distillery will be housed in a new 7,000 square foot building (valued at $431,000) that includes a tasting room, where educational tours will be provided, as well as a sales area where visitors can purchase spirits. Ingredients used in making the spirits will be locally-sourced, organic and once the distilling process is over, will be sold to local farmers for feed. This project is privately funded.
Springhill Suites
655 W. Central Avenue

This project includes a 150-room, Springhill Suites hotel on a 3.12-acre parcel. The development is currently nearing completion, with a projected opening in Spring 2020. The accompanying notes to City of Cape Canaveral Community Redevelopment Agency Schedule of Expenditures are an integral part of this schedule.
NOTES TO CITY OF CAPE CANAVERAL COMMUNITY REDEVELOPMENT AGENCY SCHEDULE OF EXPENDITURES
SEPTEMBER 30, 2019

(1) Reporting Entity and Basis of Accounting:

The Cape Canaveral Community Redevelopment Agency (the Cape Canaveral CRA) was created by Ordinance No. 23-2013 to account for the receipt and expenditure of property tax revenues from the tax increment financing district to support redevelopment in the designated community redevelopment area within the City of Cape Canaveral, Florida. Although legally separate, the City Council declared itself to be the Cape Canaveral CRA. Since the City is financially accountable for the activities of the Cape Canaveral CRA, its governing board is the same, and its relationship to the City is significant, its financial activities are reported on a blended basis as if it were part of the primary government as a major special revenue fund.

The Cape Canaveral CRA Schedule of Expenditures (the Schedule) is reported using the modified accrual basis of accounting and only represents the expenditures and transfers out of the CRA fund of the City and is not intended to present the financial position or activity of the City of Cape Canaveral, Florida, the financial position of the Cape Canaveral CRA, or any other fund in the City’s financial statements.

(2) Debt Service Transfers:

The board approved the Cape Canaveral CRA assuming two debt instruments for projects within the district: a lift station originally paid by the Wastewater Fund and the Series 2017 Capital Improvement note for the Canaveral City Park and Cape Canaveral Cultural Arts Preservation Enrichment Center. The lift station project was fully paid by the Wastewater Fund while the Cape Canaveral CRA agreed to pay $470,000 back to the Wastewater Fund over the course of ten years. The CRA paid to convert the original intended lift station repair project in the City’s previous CIP to a new “Regional Lift Station” for purposes of increasing the capacity of the lift station in order to support future major redevelopment projects serviced by that lift station in the north sector of the City on the eastern side of A1A. One new major hotel has already opened in the CRA as a result of this project, and two additional hotel projects have been permitted that are likely to be serviced by this lift station in the future. The General Fund is currently paying the debt service on the Series 2017 note while the Cape Canaveral CRA agreed to assume the full amount of the debt service and transfers the annual required amounts back to the general fund.

The future Cape Canaveral CRA total debt service requirements are summarized as follows:
